Just,
I read what you
wrote in my annual
and it was a little sad.
Just because school is nearly
out is no sign that we have to
Part friendship. I think it has just
developed fully. I don't exactly know how to
say it but I feel the same as you do. I don't
know either how I could have done without you.
We sure have had some big times together, haven't
we? I will be home all summer so be sure and
come see me. When you were in the hospital, I missed
you so much and I know I will miss you as much when school
is out. Take care of your self and may God bless you in
every thing. We still have around 2 weeks yet so Be good
this summer. Maybe I will get your skirt made one of
these days. Don't forget our 5th period together!!!
Lots of love always

FOREWORD

Though time will pass and we shall part, this book will be an unbreakable link in your chain of memories. These have been full years...years of activities, joys, and disappointments, excitement and discouragement; through all, however, has run a continuous strain of happiness that has made a rich imprint upon our lives.

If, in turning the pages of this book, you recall some of the happiest hours, the best year; and if the pictures we have chosen will help to make your high school days more vivid throughout the passing years, then our purpose in publishing this annual has been fulfilled.

"Little One."

I don't like this business of graduation, especially when it takes all my children from me. I sincerely mean it when I say the library just won't be the same. How will I ever get more folks trained like you, M.K., Ethel, etc. to carry on when Jim Buzay for away? It is so wonderful to have dependable, capable students like you, Jean - who aren't afraid of work and who do the work well. You have marveled the world began perseverance, stubbornness or what - ever it is that keeps you going even when you feel too bad to even be out of bed. She would so about you this year - missed you when you were away - enjoyed you when you were at school. I want you to go to Florida and get completely well, then come back and be a librarian. Some body's got to take my place at AHS one of these years. (You don't think I'll stay this always, do you?)

Thank you for your devotion and loyalty - you have made a major contribution to the pleasure of my stay at AHS. For all you've done, Jim grateful - the club work and all the extras but most of all, Jim proud that you are the fine, sweet Jean you are. You are strong of character and have the abilities, which used wisely, will build for you a wonderfully happy and successful future. And what's my wish for you - along with a long life of good health, love, and many friends who regard you as highly as I do. Do take care of yourself - don't stop reading (Books are friends too), and sometimes think of the truly old librarians who think you are just the cream of the crop. And who loves you -

THE CLASS OF 1955

The Class of 1955, consisting of 120 of Beelzebub's children, entered the Blue Devil's Institution or Hotter Fireworks in the fall of 1951. For chief stoker we selected Buddy McGuire, and Billy Lyons was chosen for the next hottest spot. Others chosen were Betty Ruth Hodges, Secretary; Ruby Lee Hartley, Treasurer; and Randy Maddux, Reporter.

It didn't take us long to get into the swing of things. All of us signed up for five classes and two clubs. Then in March, we sponsored a very successful "Twirp Season Dance" in order to start saving money for the Junior-Senior Prom.

The homeroom sponsors were Mr. Leroy Rogers, Mr. Harold Gentry, and Miss Peggy Blanton.

As we moved up to the Sophomore class in 1952, our group selected the following officers: President, Billy Lyons; Vice President, Tony Winkler; Secretary, S. G. Tugman; Treasurer, Randy Maddux; Reporter, Buddy McGuire.

For the second year in a row, we sponsored the "Twirp" Dance and managed to make a profit of \$22 in spite of a bad night of snow and sleet.

Instead of cooling off in 1953, the class got hotter than ever with a Halloween Carnival and Junior-Senior Prom coming up. For the first time, at the suggestion of our class, the entire school participated in the Carnival and made more than ever before.

Our theme for the Junior-Senior was "The Stork Club." Music was furnished by the Rhythm and Swing Orchestra. We worked hard but the results were well worth all our efforts. Surely no night club ever looked better than our own "Stork Club" and the night will long be remembered by all of us.

We chose Billy Lyons to serve as our President again in this Junior year. Tony Winkler was Vice President; Margaret Winkler, Secretary; and Bill Brown, Treasurer. Mrs. Kathryn Tully joined Mr. Gentry and the new Mrs. Jim Hadden as a homeroom sponsor.

Several students received recognition in sports, clubs and the like. Bill Brown was captain of the wrestling team; Bill Lyons served as co-captain of the basketball team; and Becky Bingham was Homecoming Queen. Six of us were chosen as Junior Marshals. They were Becky Bingham and Tony Winkler, chiefs; Betty Calloway, Ruby Hartley, Randy Maddux, and Billy Lyons.

Six surprised people were inducted into the National Honor Society in the spring. They were Betty Ruth Hodges, Becky Bingham, Betty Calloway, Randy Maddux, Billy Lyons, and S. G. Tugman.

As an ending highlight to this year, five boys ran for student body president. They were Billy Lyons, Randy Maddux, Buddy McGuire, Bill Brown, and S. G. Tugman. Billy Lyons was elected, but we had a hard time in selecting a president from such outstanding students.

The year of the highest of all explosions came with a sound of an Atomic Bomb.

Our 12th and last class elected Buddy McGuire, President; Ruby Hartley, Vice President; Margaret Winkler, Secretary; S. G. Tugman, Treasurer; and Tony Winkler, Reporter. The only additions to our homeroom teachers were Mr. Hadden and Mr. Dry.

Randy Maddux and Thelma Phillips were elected Homecoming King and Queen.

Our Blue Devil Football team was guided by two red hot co-captains, Buddy McGuire and Tony Winkler, while Beelzebub's children won the Football Conference, plus being ranked third in class A Football in the State. This was the first time an Institution football team had gone undefeated.

Billy Lyons and Cliff Keplar were selected to serve as co-captains of the Basketball team, and for the girls varsity Shirley Flick was chosen Captain and Peggy Hampton Co-Captain.

The National Honor Society elected officers as follows: S. G. Tugman, President; Randy Maddux, Vice President; Becky Bingham, Secretary; Betty Calloway, Treasurer; Billy Lyons, Program Chairman; Betty Ruth Hodges, Reporter; other members were Helen Parker, Ethel Townsend, Betty Cook, Clara Jean Dancy, Mildred Lewis, Cliff Keplar, Bill Brown, and Bobby Beach.

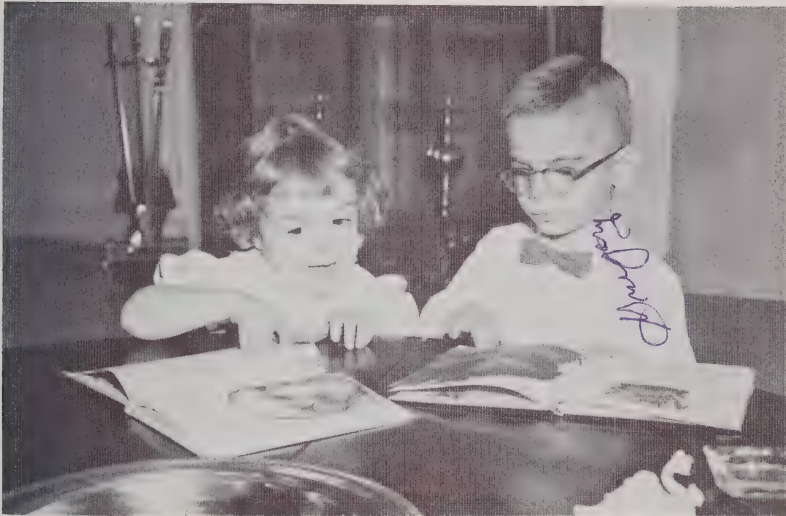

Other outstanding awards were Randy Maddux playing in the Optimist Bowl; James Tait and Betty Calloway playing in the All State Band.

Then on a certain night in May of 1955, BEELZEBUB gave his children the permission to leave his institution with a beautiful certificate showing twelve years of hard, but enjoyable work.

Thus another chapter has been closed in the many years at Appalachian High School.

SCENES FROM THE JUNIOR-SENIOR PROM

CLASS PROPHECY

While I was reading Macbeth one dark and rainy night, the three weird sisters appeared to me. Each sister made a prophecy to me. The first witch said, in her weird sounding voice, that the Senior Class of 1955 will work hard, find happiness, and make the world a better place to live in.

The second witch went into a little more detail and told me what some of the members would be doing about twenty years from now. Here is what the second witch said to me. Bobby Beach will revolutionize the electronic age with his inventions. Buddy McGuire will make history as a brain surgeon. Mary Jo Arthur will win an Academy Award for her acting in a movie directed by Cliff Keplar and produced by Kenneth Wilcox. Mildred Lewis will be awarded the Nobel Prize for her famous book, CAME WITH THE BREEZE. Our military strength will be at an all time high, with Admiral Roger Winebarger, head of the Navy Department, General James Tait, head of the Air Force, and with General Ray Hollars, the top man in the Army.

The witch went on to say that radio and television will be better than ever, mainly because of the efforts of S. G. Tugman, Mark Hodges, and Betty Ruth Hodges. J. M. Cullers will be the most famous of all the singers at the Grand Ole Opry. Betty Jane Calloway will sell over a million of several of her records. With Billy Lyons pitching for them the Milwaukee Braves will sweep the World Series against the Boston Red Sox, even though Dean Critcher is playing second base for them. In football, Tony Winkler and W. C. Payne are closing out careers for the Washington Redskins, after making All-American at Notre Dame. Bill Brown is still playing for the Cleveland Browns. Peggy Hampton will coach her Hanes Hosiery basketball team to their one hundredth straight victory.

Jerry White and Billy Richardson will team up to produce the greatest sports car ever. Billy will do the designing and Jerry will do the testing. Engineer Earl Norris will revolutionize travel with elevated highways.

In the business world, Keith Van Dyke will buy controlling stock of Macy's in New York. Randy Muddux will strike oil in his back yard and go broke trying to pay all his income tax. Ruby Hartley will design exciting new fashions that will be modeled by Joyce Cowles and Margaret Winkler. Betty Cook will become fashion editor of the CHICAGO HERALD TRIBUNE.

Carlton Lyons will be the new Agriculture teacher at Appalachian. Austin Moretz, Billy McNeil, and Odis Wellborn will own large farms and become quite wealthy. Becky Bingham will be one of the finest Home Demonstration Agents this state has ever known. The third witch closed the prophecy by saying her sisters may have looked to the better side of things, but she said if the class took advantage of the opportunities given them and worked hard, no one would be a failure.

Dear Shelby,
I don't know how to say what I would like to but I'll just say words can never say what your friendship has meant to me. I would be lost without you at school, and what am I going to do next year, maybe you will come to college at Boone. I surely do hope you do and maybe Mary can come too, wouldn't it be fun if we could go to the same college. We have had so many nice times that I wouldn't take anything for the memories which I have of our many trips and clubs and our parties & more at home. Billie take care of yourself and may God bless you. Love at home, "Shel"

I don't know just how to start writing in your annual, but will think of something to say after a while. In

I wish that I could think of something to say that when we are far apart you could read it and it would remind you of the times we were together.

Jean I wish that I could put in words just that your friendship has meant to me, and still is. I consider you as one of my best friends. I have really enjoyed knowing you as long as I have, we have had some good times together haven't we. I will never forget you or the times that me and you have been together. You are the sweetest girl I have every met or been out with.

I hope you the very best of luck in every thing you do. Remember the good times we all have had together, and remember me to a friend. I will remember you.

I have been
a great pleasure
knowing such a
sweet girl as you. I think
you are one of the nicest +
sweetest girls that I have ever
associated with. Boy, I have ever
some good times together. Remember
Easter Sunday. I let you really did have a
nice long vacation. I guess I can get me a job, but we will
didn't you. Well, I guess it is alright though. We really did
this summer I am really going to miss you, but we will
get to see each other anyway. I can get me a job, after I get out
maybe one of those days. I guess it is alright though. We really did
of the hole. I don't know if I ever do. I guess it is alright though. We really did
to miss it. That place on the Gateway plane. Didn't we? We are going
as some as we had this year. But we will have a grand time
referring to don't you? (Boy, shut your mouth up and quit talking
about people). Well, I guess I had better shut my mouth
up and get busy. Loads of luck to you and your family.
Clears it. "Bye"
Love
Hazel

Jean,

I can't tell you how much I have enjoyed knowing you and being in class with you, also the club. It just won't seem right year for you & Mary K. not to here and in our club. I want to wish you the best for happiness and the future, I feel like you don't really need to wish you the best of luck and wishes because I know you will go far in life or anything you start out to do.

I really miss you next year.

Love ya Jane.

Shelby Jean,

Student teaching has been made much nicer by your being in the library science class and the assistants' Club. You are a wonderful, sweet girl and an exceptional student.

I wish the very best of everything for you and will think of you often. Hope you'll get to Florida to see me.

Shelby,

Love,

May the Simmon
